

Meeting 3

9/7 - 6:30pm

Attendance: Nova, Zion, Matt, and Nicholas, Nathan

Discussed Zenhub roles and how to use it. Made sure everyone had access and knew what to do with it.

Discussed plans for Project Charter. Is it due on Sunday? There is no submission on Canvas. We told Abbey (our sponsor) that we weren't prepared to start a charter yet. We have yet to see everything on Abbey's end on what she expects from us, so we will have to wait and consult.

There wasn't anything else to discuss so we adjourned the meeting.
